Strength From manufacturing to "creative industry". Starting with the manufacture of springs, we have moved on to office furniture, exterior products, to advanced electronic products, as well as health and welfare products, for which demand is expected to grow in the future. Utilizing our accumulated manufacturing know-how, we develop and sell products related to health and welfare to contribute more widely and deeply to society. Our wheelchair cushions, in particular, have won a large share of the market						Address 5331 Nishiharuchika, Shimogawara, Ina-shi, Nagano-ken 399-4431 Japan
